Choosing Ocean Gold Colorful is choosing an endless performance of light, shadow, and color. It represents a bold, unrestrained, artistic, and emotionally expressive design philosophy. It is not satisfied with just serving as a background, but aspires to become the "protagonist" in space, using its ever-changing charm to tell a grand story about the ocean, light, and life.

迪奥粉

Dior Powder

The design of "Marilyn Monroe Ice Jade" is a deconstruction and reshaping of a cultural symbol (Marilyn Monroe). It has removed its most representative "heat" and wrapped it in the ultimate "cold", creating a new and tense aesthetic experience. It is not only a product, but also an artwork of philosophical contemplation about beauty.
